NOTES:

- All of the licensed family child care programs in the City of Vancouver were contacted by Westcoast and asked for their monthly full time rates as of December 2009
- At the point of survey, there were 201 licensed family child cares, of which 103 (51%) licensed family child cares responded
- AVERAGE = Calculated by adding the monthly full time rates and then dividing by the number of family child care responses
- MEDIAN = Half the licensed family child cares have rates that are greater than the median, and half the licensed family child cares have rates that are less than the median
- The sample of providers responding to the Kindercare survey is too small to be representative of typical fees.

Effective September 2007, maximum Child Care Subsidy available for Licensed Family Child Care is:
