NOTES:

Westcoast contacted 95 preschools in the City of Vancouver to gather their monthly rates as of September 2024. At the time of the survey, 9 preschools were designated as \$10 a Day ChildCareBC Centres, so their fees were excluded from the results. The survey results are based on data collected from 57 of the remaining 86 preschools, representing 66% of the total.

In September 2023, the Child Care Fee Reduction Initiative (CCFRI) was introduced for approved preschools, providing a maximum monthly parent fee reduction of \$95
